Faith in Health Collaborative Luncheon

Status: **DONE** Assigned to: PR VS Due Date: Yesterday

We'd like your input on our faith community engagement plans. We are planning to host a faith community engagement luncheon on February 12th for Black History Month from 11:30am - 1:30pm at Fixins.

Agenda

- Ryon Everidge - How Long Will You Target Me? [He will have a new video out in January 2024]

How Long Will You Target Me?

- Faith in Health Collaborative is part of the solution [**what do you think of name?**]
 - Ask attendees to join Faith in Health Collaborative
 - Ask to support connecting residents with hate resources
 - Ask to support MOU/Outdoor smoke-free policy and share survey data
- Leaders Promote Stop the Hate & Smoke-free MUH/OA
 - Council Member Stephanie Nguyen speaks in support of tobacco prevention
 - County BOS if KII's identify a champion
 - STH education on campaign and art contest for youth 12-18 years old
 - STH awareness survey

- No Menthol Sunday
 - Education on grant resources (Ernesta provided list); offer \$500 mini-grants if can raise funds.
 - Debra Simmons, former First Lady South Sacramento Christian Center
 - Ask to speak from pulpit to congregation, get stories of people with smoking experiences; promote Kick It CA, promote smokers complaint line, and do an activity for No Menthol Sunday.
 - Should we get a resolution from a policymaker for No Menthol Sunday? Yes
- Stop Hate & Tobacco in Sacramento
 - Hate is impacting AA communities and dialog is needed to help people cope and fight back
 - Hate crimes increase stress in AA communities. One of the most dangerous ways AA deal with stress is by smoking and vaping using tobacco, marijuana and other products
